Sir,

Sub - Sinking of a new well for the use of Adidravidas in Pavagada Town

I have the honour to forward herewith a copy of letter No V P C 876/46-47 dated 28-1-48 received from the Deputy Commissioner, Tumkur district on the above subject and to state that it is proposed to sink a Drinking water well in Pavagada town limits for the use of Adidravida residents as they are repeatedly -- urging for the same One Balanarasimhiah and other adidravida residents of the Town have also represented the matter to the Dewan during his tour in the District It is reported that the town Municipal council, Pavagada has resolved at a meeting held on 13-8-47 to meet half the estimated cost and the Deputy Commissioner proposes to contribute the other half from the Rural Water Supply funds The cost of the proposed well is estimated at Rs 1350/- and the Executive Engineer has scrutinised the estimate According to G O No L 9473-90/V P 63-36-27 dated 23-5-38 (page 139 Village Panchayet Manual) there is provision to contribute funds from Rural Water Supply head towards works taken up in rural areas only As the above well work is to be taken up in Pavagada Town limits, the Deputy Commissioner, Tumkur solicits sanction to meet half the cost of the same from Rural Water supply funds thus extending the benefits of the Rural Water

any scheme [illegible] in lieu of the [illegible] that it is meant for the use of Adi-Dravida [illegible] locality

2. -

In the circumstances proposed by the Development Commissioner, the Madras District Board may be accorded sanction to the estimated cost of the proposed well in Pudukkottai limits from the Local Fund to supply funds of the District Board, subject to the corrected record accompany

Sub - Sinking of a new well for the use of didravidas in Pavagada town

I have the honour to state that a representation was made to the Dewan during his last tour in this district by one Chanarasimhiah and other Adidravidas of Pavagada town praying that a drinking water well may be sanctioned for their use since there is scarsity of water supply to that community As sinking of wells under Rural Water supply scheme as per G O No L 9479-99/V P 63-36-27 dx is meant for only Rural parts, the President, Town Municipal Council, Pavagada was consulted in the matter The Town Municipal council at Pavagada in their meeting held on 13th August 1947 have resolved agreeing to meet half of the estimated cost of the proposed well work The estimate prepared for the same is duly scrutinised by the Executive Engineer for Rs 1,350/-

I, therefore, request that orders of Government may kindly be obtained for sanctioning the estimate for Rs 1350/- under R W S scheme as a special case, the estimated cost being met out from the funds of the Municipal Council at Pavagada and Rural Water supply scheme in equal proportion The connected records with the estimate and the resolution of the Municipal council in question are enclosed for perusal and return
